

CANTON AMATEUR RADIO CLUB MINUTES, DECEMBER 20, 1995

Dale KB8LWP, our president opened the meeting. Twenty-eight in attendance.

Secretary's Report: A motion was made to accept the minutes published in December's Feedline and seconded.

Treasurers Report: Larry K8RMY, reported cash on hand of \$1580. A motion was made to have the year end report at the next meeting, and seconded.

Old Business: None reported.

New Business: Dale KB8LWP, informed the members that the trustees wish to set up a scholarship fund in memory of Bill Parks K8JZN. Dave WD8AYE will be setting this up.

Ron KA8FTP, is now the net controller of the Sunday morning K8JZN Stark County Mutual Aid Net. Bill was control operator for 33 years!

Rich N8XGC, informed us that SKYWARN will be building another doppler site.

Roger WA8AHK, is now our education chairman. Best of luck Roger!

Mickie Parks, our much loved friend, will be having back surgery on December the 27th at Aultman Hospital. We wish her well.

Brad AA8HK, now living in California, can be contacted on packet at :
AA8HK@W6PW.#NOCAL.CA.USA.NA

The old Stark County Directories are now half price: \$1.00.

Program: Jack N8LCS, sent a letter to Tom Bernabei, Canton City Law Director, educating him about the transmissions that are made purposely to interrupt the normal legal transmissions on the 147.120, and the 146.790 repeaters. Such interference is a violation of Ohio Revised Code 2909.04 and has a penalty of felony of the third degree. It is also a violation of Part 97.113, section 4D, 3 and F of the FCC Rules. Jack read the other parts of the letter. Also, he is encouraging members to send letters to others. See some addresses mentioned in December's Feedline. Thanks to N8LCS, KF2AA, KA8FTP and N8WHH in helping to solve the interference problems!

For Your Information: Thank you, Sandy KB8FZX, for filling in on behalf of Sandra, N8TXB!

Respectfully submitted, Sandra Day N8TZB, Sec'y.
